MEMORANDUM TO THE FEDERAL EXECUTIVE BOARDS

FROM: Clay Johnson III
Deputy Director for Management

SUBJECT: Government-wide Results Report to Federal Employees

On August 9th we released a Government-wide Results Report directed to Federal employees that describes how the President's Management Agenda is helping agencies change the way they manage and how that benefits both employees and citizens. You can find the report along with the individual agency reports on www.Results.gov. I encourage you to encourage the Federal employees in your region to read the report along with their individual agency reports. The Federal government is results oriented.
